1. Language of Instruction

All undergraduate programs at Keio are in Japanese, except for the PEARL program and the GIGA program(*).

*If you wish to learn about these programs, please visit the following website:

PEARL: <http://www.keio.ac.jp/en/admissions/undergraduate/pearl/>

GIGA: <http://ic.sfc.keio.ac.jp/>

2. Minimum Period Necessary to Complete an Undergraduate Degree

4 years (6 years for the School of Medicine and the Department of Pharmacy in the Faculty of Pharmacy)

3. Applicant Requirements

Applicants must fulfill all the requirements (1) – (3).

- (1) Applicants must have, or be expected to have, completed a program of school education of at least twelve years in duration by March 31, 2017.
- (2) Applicants must have, or be expected to have, completed secondary education (junior high school and high school) outside Japan operated under the school education system of a country other than Japan by March 31, 2017.
- (3) Applicants must possess, or be expected to obtain, qualifications for admission to university in the countries where they have completed secondary education by March 31, 2017.

Exceptions

- Even if applicants have Japanese nationality, applicants are eligible to apply if they meet requirement (1) to (3) above.
- Even if applicants don't meet requirement (2) above, applicants to the faculties of Letters, Economics, Law, Business and Commerce, Policy Management, and Environment and Information Studies who graduate from international high schools in Japan by March 31, 2017 are eligible to apply if their period of study in Japan is less than 2 years including the final year of high school.
- Even if applicants are/were enrolled in a high school in Japan through a student exchange program etc., they are eligible to apply if their period of study in Japan is less than 1 year. In this case, however, they must have, or be expected to have, completed secondary education in a high school located outside Japan operated under the school education system of a country other than Japan by March 31, 2017.
- Even if applicants have not graduated from their high school because of withdrawal etc., they are eligible to apply if they have passed an examination outside Japan equivalent to "Certificate for Students Achieving the Proficiency Level of Upper Secondary School Graduates" in Japan. In this case, however, they must be at least 18 years of age before their enrollment.

Notes

- It is not possible to apply to both the Faculty of Policy Management and the Faculty of Environment and Information Studies in the same academic year.
- It is not possible to apply to any single faculty by more than one screening method.
- It is not possible to apply to multiple departments or academic gates within any single faculty.
- Those who have applied to the faculties of Economics, Business and Commerce, Science and Technology, Policy Management, Environment and Information Studies, Pharmacy, and the School of Medicine through the admissions procedure for Japanese students who returned from abroad (kikoku-sei) cannot apply to these faculties and this school using this admissions procedure for international students in the same academic year.
