

→ Keio students

→ Family members

→ Family members with physical disabilities

- Follow directions from staff when arriving at the venue.
- Family members will first be shown to the Senior High School Gymnasium. When that becomes full, they will be directed to the Fourth Building.
- We recommend that those who wish to use the restrooms arrive early to avoid long wait times due to limited facilities.
- We recommend wearing warm clothing as the family viewing spaces may be cold depending on the weather on the day of the ceremony.
