· Please note that among the academic fees and expenses, the amount to be paid for tuition and basic registration fees is determined each year by applying the sliding scale as stipulated in the University Rules and Regulations.

The standard for the increase rate is based on the slide rate (the rate of increase for the salaries of civil servants recommended by the National Personal Authority in the previous fiscal year, etc.).

However, the sliding scale will not be applied to fees for students of the Graduate School of Business Administration, Graduate School of System Design and Management, and the Graduate School of Media Design.

· Among the other fees, the Student Health Care Mutual Aid Association fee (100 yen) will only be collected in the first year. This is not included in the total academic fees for current students

· Academic fees and expenses and other fees can be paid in two annual installments at the end of April for the Spring Semester and the end of October for the Fall Semester). However, part of the other fees is collected in a lump sum during the Spring Semester.

· Other fees which are collected by the university on behalf of other organizations may be revised during the course of a student's attendance.
