· Please note that among the academic fees and expenses of the Graduate School of Health Management, the amount to be paid for tuition and basic registration fees is determined each year by applying the sliding scale stipulated in the University Rules and Regulations.

The standard for the increase rate is based on the slide rate (the rate of increase for the salaries of civil servants recommended by the National Personal Authority in the previous fiscal year, etc.).

The sliding scale will not be applied to the Graduate School of Business Administration, Graduate School of System Design and Management, and Graduate School of Media Design (KMD).

· The registration fee for the Student Health Care Mutual Aid Association (100 yen) as part of other fees is only collected in the first academic year. This is not included in the total academic fees for current students.

· Academic fees and expenses and other fees can be paid in two installments at the end of April for the Spring Semester and the end of October for the Fall Semester. However, part of the other fees is collected in a lump sum during the Spring Semester.

· Other fees which are collected by the university on behalf of other organizations may be revised during the course of a student's attendance.
