• Please note that among the academic fees and expenses, the amount to be paid for basic registration, tuition, facilities, and experiment and practical training fees is determined each year by applying the sliding scale system as stipulated in the University Rules and Regulations. The standard for the rate of increase is based on the slide rate (the rate of increase for the salary of national government employees as announced in the National Personnel Authority's annual salary recommendations in the previous year, etc.).

• The admission fee and the Student Health Care Mutual Aid Association registration fee (100 yen), which is included in other fees, are only collected in the first year and are not included in the total academic fees for current students.

• Academic fees and expenses (excluding the admission fee) and other fees can be paid in two installments at the end of April for the Spring Semester and the end of October for the Fall Semester. However, part of the other fees is collected as a lump sum in the Spring Semester.

• Other fees which are collected by the university on behalf of other organizations may be revised during the course of a student's attendance.

\*1 As part of the other fees included for second year students and above in the Faculty of Letters, academic journal subscription and faculty seminar fees will be collected for the major to which you belong. Academic journal subscription and faculty seminar fees for each major are as follows.

Majors in Philosophy, Ethics, and Aesthetics and Science of Arts: 2,500 yen; Major in History: 3,500 yen; Majors in Japanese Literature, Chinese Literature, English and American Literature, German Literature, and French Literature: 4,000 yen; Major in Library and Information Science: 3,000 yen.
