• Please note that among the academic fees and expenses, the amount to be paid for basic registration and tuition fees is determined each year by applying the sliding scale system as stipulated in the University Rules and Regulations. The standard for the rate of increase is based on the slide rate (the rate of increase for the salary of national government employees as announced in the National Personnel Authority's annual salary recommendations in the previous year, etc.).

(The sliding scale is not applied to fees for students of the Graduate School of Business Administration, Graduate School of System Design and Management, and the Graduate School of Media Design.)

• The Student Health Care Mutual Aid Association registration fee (100 yen), which is included in other fees, is only collected in the first year. This is not included in the total amount for currently enrolled students.

• Academic fees and expenses and other fees can be paid in two annual installments at the end of April for the Spring Semester and the end of October for the Fall Semester. However, part of the other fees is collected as a lump sum in the Spring Semester.

• Other fees which are collected by the university on behalf of other organizations may be revised during the course of a student's attendance.

• Academic fees and expenses for graduate schools for which there are no students who enrolled between AY 2013 and AY 2015 due to completion, etc., are not listed.

\*1 As part of "Other fees" at the Graduate School of Letters, academic journal subscription and seminar fees will be collected for the major to which you belong. Academic journal subscription and seminar fees for each major are as follows.

Major in Philosophy and Ethics and Major in Aesthetics and Science of Arts: 2,500 yen; Major in History: 3,500 yen; Major in Japanese Literature, Major in Chinese Literature, Major in English and American Literature, Major in German Literature, and Major in French Literature: 4,000 yen; Major in Library and Information Science: 3,000 yen.

\*2 The admission fee for the Keio Management Society of 1,500 yen is only charged in the first year of study and is included in "Other fees" for the Graduate School of Business Administration (master's program).

\*3 A different academic fees and expenses system is in place for AY 2016 entrants to the Graduate School of Business Administration Executive MBA. Please refer to the academic fees and expenses for the graduate school master's programs (students admitted between AY 2013 and AY 2015).

\*4 An experiment and practical training fee of 25,000 yen will be collected from those majoring in Library and Information Science at the Graduate School of Letters.
