• Among the Academic Fees and Expenses, Basic Registration, Tuition, Facilities, and Experiment and Practical Training Fees are subject to change from year to year based on a sliding scale system as stipulated in the University Rules and Regulations. We ask for your understanding in advance. The standard for the rate of increase is based on the slide rate (the rate of increase for the salary of national government employees as announced in the National Personnel Authority's annual salary recommendations in the previous year, etc.).

• The Admission Fee and the Student Health Care Mutual Aid Association Registration Fee (100 yen), which is included in Other Fees, are only collected in the first year and are not included in the total academic fees for current students.

• Academic Fees and Expenses (excluding the Admission Fee) and Other Fees can be paid in two annual installments at the end of April for the Spring Semester and the end of October for the Fall Semester. However, part of the Other Fees is collected as a lump sum in the Spring Semester.

• Other Fees which are collected by the university on behalf of other organizations may be revised during the course of a student's attendance.

*1 As part of the "Other Fees" included for second year students and above in the Faculty of Letters, a Seminar & Materials Distribution, and Other Course-Related Fees will be collected for the major to which you belong.
