Access to Mita Campus

Office of Facilities Management and Procurement Services

Temperature checks and access management requiring persons other than Keio students, faculty, and staff members to record their entry will continue to be implemented at respective gates when entering Mita Campus. We would like to again request your cooperation with the rigorous implementation of measures to prevent infections.

1. Please ensure you wear a mask.
2. A body temperature check will be performed using thermal cameras, etc.

*If a fever of 37.5°C or above is detected (including re-measurement), you will not be allowed to enter the campus.

3. Confirmation of persons entering campus

All persons other than Keio students, faculty, and staff members are requested to show a form of ID and enter their names and contact details (mobile phone, etc.) at the respective gates.

Entry on foot

Weekdays, Saturdays, and holidays (days on which classes are held)
