## GIGA Program

- 4-year English-based BA program at a top private university in Japan
- Diverse, interdisciplinary research fields across two faculties
- Opportunities to learn Japanese and study in both English and Japanese
- No Japanese proficiency or visit to Japan is required for admission—apply fully online
- Safe, international campus with on-campus housing
- Full-ride scholarships exclusively for international GIGA students before enrollment

## Fields of Research at Keio SFC

### Faculty of Policy Management

- International Strategy
- Policy Design
- Social Innovation, Business, Management, and Organizations
- Language, Culture, and Communication

### Faculty of Environment and Information Studies

- Advanced Information Systems
- Advanced Design Studies
- Advanced Biosciences
- Environmental Design
- Human Environment

\*More than 600 courses offered at SFC with 20% conducted in English

## Shonan Fujisawa Campus (SFC)

Located south of Tokyo, the two faculties at SFC aim to educate students to resolve complex issues by integrating the fields of technology, science, design, business, innovation, international relations, and policy.
