Form 5

Pledge

(Security Export Controls under the Foreign Exchange and Foreign Trade Act)

To: President of Keio University

□ I hereby pledge to comply with the following items regarding my enrollment to, my graduation from or leaving Keio University.

1. During enrollment to Keio University, I will neither provide nor carry out any property belonging to the University without a permission. In any of the following cases, I will consult my supervisor (i.e., the academic staff accepting me as a student or a researcher) and, if necessary, take the prescribed procedures based on the Foreign Exchange and Foreign Trade Act, related laws and regulations, and the internal regulations of the University.

(1) In the case that I intend to provide technical information related to a research to a foreign country or to a non-resident or a resident under the significant influence of a non-resident (i.e., a person falling under the "Specific Categories") during this period, or in the case that it becomes clear during this period that I will provide such information after leaving the University.

(2) In the case that I intend to export (send, take abroad, etc.) research equipment, materials used in research, or tangible objects by a research during this period, or in the case that it becomes clear during this period that I will export these items after leaving the University.

2. During registered period in Keio University, I will not use the technical information obtained by a research for the development, production, use, or storage of weapons of mass destruction (WMD) (nuclear weapons, chemical weapons, biological weapons, WMD delivery systems such as missiles, and unmanned aerial vehicles), conventional weapons, or materials, components, or products used in these weapons. I will use such technical information only for civil purposes.

3. After graduation from or leaving the University, in any of the following cases, and if necessary, I will take the prescribed procedures based on the Foreign Exchange and Foreign Trade Act, related laws and regulations.

(1) In the case that I intend to provide technical information related to a research provided by the University to a foreign country or to a non-resident or a resident under the significant influence of a non-resident (i.e., a person falling under the "Specific Categories").

(2) In the case that I intend to export (send, take abroad, etc.) research equipment, materials used in research, or tangible objects by a research provided by the University.

4. After graduation from or leaving the University, I will not use the technical information obtained by a research for the development, production, use, or storage of weapons of mass destruction (WMD) (nuclear weapons, chemical weapons, biological weapons, WMD delivery systems such as missiles,

and unmanned aerial vehicles), conventional weapons, or materials, components, or products used in these weapons. I will use such technical information only for civil purposes.
