Prefecture	Collaborating organizations, etc	Date of conclusion	Comprehensive(general)collaboration	Department	Details of the collaboration stated in theagreement	Related Links
Kanagawa Prefecture	Kawasaki Institute of Industrial Promotion, The Bank of Yokohama, Ltd.	November1,2019	—	Keio Frontier Research and Education Collaborative Square	In order to contribute to the sustainable growth and revitalization of the regional economy centered on Kawasaki City through the social implementation of research seeds, the 3 parties will make use of mutual resources and networks and collaborate and cooperate in a wide range of fields with the aim of making contributions toward solutions for various issues.	https://ssl4.eir-parts.net/doc/8332/ir_material10/129399/00.pdf
Kanagawa Prefecture	Kanagawa University of Human Services	October1,2019	—	Keio Frontier Research and Education Collaborative Square (K-FRECS)	Cooperation agreement aimed at deepening mutual understanding and friendship as well as promoting the development of collaborative science and technology.	
Kanagawa Prefecture	Kanagawa Prefecture／Kanagawa Institute of Industrial Science and Technology／K.K.DNAFORM	June14,2023	—	Keio Frontier Research and Education Collaborative Square	Project aimed at accelerating research and commercialization towards the social implementation of spinal cord regeneration therapy through industry-academia-public collaboration	
Kanagawa Prefecture	Kanagawa Prefecture／Kanagawa Institute of Industrial Science and Technology／Cyfuse Biomedical K.K.／Fujita Health University	March19,2024	—	Keio Frontier Research and Education Collaborative Square	Project aimed at accelerating research and commercialization towards the social implementation of Osteochondral regenerative medicine through industry-academia-public collaboration	
Kanagawa Prefecture	City of Yokohama	April1,2025	—	Keio Leading-edge Laboratory of Science and Technology	The goal of this collaboration is to address the administrative issues of (1) disaster information not reaching every resident and (2) such information not being translated into action even among those who receive it. This initiative also seeks to swiftly embody and implement Yokohama City's Disaster Prevention DX initiatives in the TSST field.	https://tsunashimasst.com/news/%E6%A8%AA%E6%B5%9C%E5%B8%82%E3%80%81%E6%85%B6%E6%87%89%E7%BE%A9%E5%A1%BE%E5%A4%A7%E5%AD%A6%E3%81%A8%E3%81%AE%E7%94%A3%E5%AE%98%E5%AD%A6%E9%80%A3%E6%90%BA%E3%83%97%E3%83%AD%E3%82%B8%E3%82%A7%E3%82%AF https://www.keio.ac.jp/ja/about/engagement/society/social/25048
Kanagawa Prefecture	Kanagawa Prefecture City of Yokohama Kohoku Ward	June1,2017	—	Graduate School of System Design and Management	1) For the Graduate School of System Design and Management lecture "System design and management training," the students, while learning among other things about the approaches, processes, and methods of system design, formed groups of roughly 5 members each and proposed and demonstrated concrete systems on the theme of "System design for revitalizing Minamihiyoshi shopping district." Each team, which consisted of a majority of working students along with new graduates with no work experience, identified issues for the Minamihiyoshi shopping district through open data, observations, interviews, etc., before realizing their own unique system designs and prototypes and demonstrating their effectiveness. Some teams are still continuing to collaborate. 2) In addition, at the Hiyoshidai Elementary School, video data and location information data using GPS for tag rugby and running were shown to students to help them discuss and understand the good and bad movements of themselves and others and how they can improve their performances, with the aim of increasing both interest and ability in sports using sports data. As a result, interest and ability in sports increased among many elementary school students. With full cooperation from the Athletic Association Rugby Football Club, it has become possible to provide more specialized advice and acquire and analyze more technical data, and the research findings are being used for the activities of the Keio Kids Performance Academy, which is held every Monday and Saturday evenings at the Shimoda rugby ground.	http://www.sdm.keio.ac.jp/2017/06/08-182454.html https://www.keio.ac.jp/ja/about/engagement/society/social/25014
Niigata Prefecture	Niigata Prefecture Sanjo City	August9,2017	○	Faculty of Policy Management, Faculty of Environment and Information Studies, Graduate School of Media	Collaboration that aims to contribute to the formation of a regional society full of vitality, the development of human resources that will lead future societies, and the promotion of practical learning (jitsugaku).	https://www.kri.sfc.keio.ac.jp/ja/wp/wp-content/uploads/2024/07/SANJO_JICA_SFC.pdf https://www.keio.ac.jp/ja/about/engagement/society/social/25017
Niigata Prefecture	Niigata Prefecture Sanjo City／Japan International Cooperation Agency	August1,2024	—	Keio Research Institute at SFC	The purpose of this agreement is to develop and advance initiatives such as the "JICA Regional Revitalization Researcher Program" that can harness the synergy between regional revitalization and international cooperation, as well as to promote community revitalization and help people settle in Sanjo City.	https://www.kri.sfc.keio.ac.jp/ja/news/sanjo_jica_sfc/

Prefecture	Collaborating organizations, etc	Date of conclusion	Comprehensive(general)collaboration	Department	Details of the collaboration stated in theagreement	Related Links
Toyama Prefecture	Toyama Prefecture Takaoka City Board of Education	June10,2020	○	Keio Research Institute at SFC	Collaboration aimed at contributing to the formation of regional education that is full of vitality and the promotion of practical learning (jitsugaku) by appropriately addressing the ICT and educational issues faced by the region.	https://www.kri.sfc.keio.ac.jp/ja/news/sfc_takaokacity/
